

CERTIFIED INTERNATIONAL BUSINESS LAW ANALYST [CIBLA]

CREATING BETTER PROFESSIONALS

In this era international business dealings induced by globalization and technology advances have become a daily routine. Thus, awareness of the multi-jurisdictional legal framework underlying cross-border transactions is not just helpful but, indispensable.

OBJECTIVES

As businesses are going global, it is essential for managers and officers to be highly knowledgeable about various legal issues that a business could face and address them accordingly. The Certified International Business Law Analyst (CIBLA) course equips the learners to gain a better understanding on the legal aspects of business. This certification is highly useful for lawyers, entrepreneurs, managers, HR professionals, in-house counsels, law students, and business students (BBA/MBA).
