

CERTIFIED LEGAL TECHNOLOGY AND INNOVATION ANALYST - (CLTIA)

www.lawpunditsglobal.com

INTRODUCTION

Dive into the intersection of law and technology with our Certified Legal Technology and Innovation Analyst (CLTIA) course. This groundbreaking course invites you to the crossroads of law and technology, where innovation is driving unprecedented changes. From AI in contract analysis to blockchain in evidence preservation, this course explores the most significant tech disruptions in the legal sector.

OBJECTIVES

The CLTIA course aims to equip you with the necessary skills to leverage technology for legal practice effectively. The course will provide insights into how technology can be harnessed for legal research, case management, dispute resolution, and more. By the end of the course, you'll understand how to integrate tech solutions into your legal workflow and navigate the ethical and practical challenges associated with legal tech.

WHO SHOULD ATTEND THIS COURSE

- ☑ Lawyers
- ☑ Law students
- ☑ In-House Counsels
- ☑ Legal Compliance Professionals
- ☑ Legal Academics
- ☑ Legal tech enthusiasts
- ☑ And anyone interested in understanding how technology is transforming the legal profession

ADDITIONAL BENEFITS OF THE PROGRAM

Earning the CLTIA certification will position you at the forefront of the legal tech revolution, opening up a world of opportunities in the rapidly growing legal tech sector. You will also get the chance to network with industry pioneers and like-minded peers.

METHOD OF INSTRUCTION

Self-paced online learning with video lectures, hands-on tech demos, case studies, quiz etc.
